The starting point of this itinerary is situated in the car park of Les Set Fonts park 1. From there it will head in the direction of Sant Julià town centre along La Font street, passing by a house with a beautiful large stone balcony on its way up.

Afterwards, it will pass Santa Maria church and the town hall before arriving at Sant Roc hermitage 2.

From Sant Roc hermitage 2 to Puigsec spring 3

With the chapel on your left-hand side, take a path lined with lime trees to leave the town.

After passing through some farmland, the route will enter a dense, humid oak forest, before coming to Puigsec spring 3. After about 30 metres, turn off down towards the spring.

From Puigsec spring 3 to Puigsec fields and pond 5

Continue along the track climbing up a small hill, which retains the water from Puigsec pond 4. From there go down a few steps and follow the path in front of you.

After a few meters, views of Puigsec fields 5 will appear offering panoramic vistas of the town and the plain of Vic. From Sant Ponç hill you will be able to make out Puigsec farmhouse and Sant Ponç hermitage, which cannot be visited.

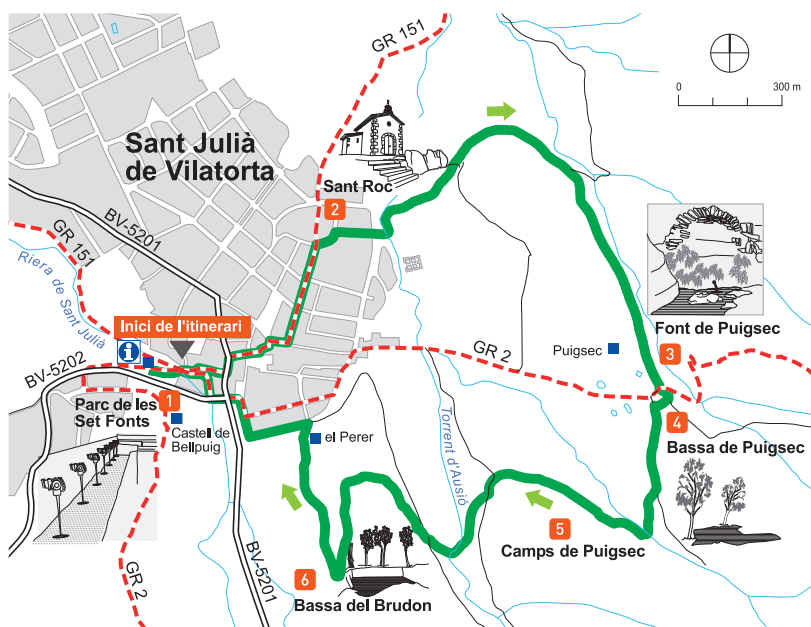

From Puigsec fields 5 to El Brudon pond 6

Walk along the edge of the fields and take a shady path that leads to a wide track, which will take you to El Brudon pond 6.

From El Brudon pond 6 to Sant Julià de Vilatorça

Follow the flat track that returns to Sant Julià de Vilatorça lined by some distinctive oak trees. Once you arrive at El Perer farmhouse, if you look to the left, you will be able to see the remains of Bellpuig castle.
